

# ACTA ANÆSTHESIOLOGICA BELGICA

*Supplement 1* — **MASTER THESIS** — 2025

Extracranial-intracranial cerebral bypass for aneurysmal rupture in post- partum woman: a case report and review of the literature ADJU R., MONTUPIL J. . . . .	1
Assessing Candida species respiratory colonization in ventilated COVID-19 patients: a retrospective cohort study with a focus on corticosteroid impact BRANTS L., AL TMIMI L., SWINNEN W., VAN BIESEN S. . . . .	11
Role of epidural analgesia in the perioperative pain management of scoliosis surgery in adolescents: a narrative review CORNELISSENS J., SALDIEN V. . . . .	19
Locoregional anaesthesia as the principal technique for oncological breast surgery: a case series DEL JESUS SANCHEZ FERNANDEZ J., DOGRUL F., WALLYN A., DELPLANQUE L., VAN DE PUTTE P. . . . .	41
Airway interventions during intravenous anesthesia in children undergoing direct laryngoscopy for surgical procedures using high flow versus low flow nasal oxygen. Flowkid. DEVRIENDT E., SALDIEN V., AERTS S., MAES S. . . . .	47
Diagnostic Challenges of Malignant Hyperthermia: Diverse Clinical Presentations and Genetic Known Mutations – A Narrative Review GOMES MARTINS G.B., THIERRY G. . . . .	57
The use of jet ventilation in today’s anesthesia : a narrative review HENRARD G., BECK F., KIRSCH M. . . . .	63
Techniques in awake intubation: a narrative review HEYNS M., JAPPIE R., VAN DE VELDE M. . . . .	77
Predisposing Factors and Impact of Phosphate Substitution in Hypophosphatemia After Cardiac Surgery: A Retrospective Single-center Trial JANSSENS U., CALLIAUW L., VAN DE VELDE S., COOLS W., VANHONACKER D., HEERMAN J., LAPAGE K. . . . .	87
Enhancing Meta-Analysis interpretation in Anesthesia Literature: A trial sequential analysis perspective KERREMANS O., VANOVERSCHELDE H., DE PAUW E., WOUTERS P., WYFFELS P. . . . .	95

<b>Vitamin C in cardiac surgery: a narrative review</b> LELONG Q., MASERI A., COULIE R., DINCQ A.S. ....	103
<b>OnabotulinumtoxinA Injection of the Sphenopalatine Ganglion for Treating Refractory Primary Headache Disorders and Neuropathic Facial Pain: Real World Data</b> LOGGHE Y., JERJIR A., D'HONDT N., SMET I., JERJIR N., DEVOS M., VAN BUYTEN J.-P. ....	117
<b>Management of a thrombotic event in an acute heparin induced thrombocytopenia with thrombosis (HITT) patient : case report and narrative</b> REYNKENS A., PÉTERS P., STIENNON L., HANS G., SCHYNS O., BONHOMME V., LECOQ J.-P. ....	125
<b>Narrative review on driving pressure guided ventilation in surgical patients</b> SAHARKHIZ N., SOTTIAUX T. ....	133
<b>Ankle vs popliteal blocks in forefoot surgery</b> SANTENS A., JANSSENS U., DE MEY J. ....	143
<b>Initiation and maintenance of modern neuraxial analgesia for labor, a narrative review</b> SLADKOV M., VAN DE VELDE M. ....	149
<b>Perioperative Outcomes in Patients with Type I Pulmonary Arterial Hypertension Undergoing Elective Non-Cardiac Surgery: A Retrospective Case Series from a National Reference Center</b> VAN DE MAELE A., BELGE C., DELCROIX M., WILLAERT X., REX S., DE SLOOVERE V. ....	165
<b>Occipital Nerve Stimulation for the Treatment of Refractory Headache Disorders in Adults: A Narrative Review</b> VAN STIGHEL G., VAN BUYTEN J.-P., VANHONACKER D. ....	173
<b>Delayed withdrawal of life support in candidate organ donors through a DNR 4 protocol: preliminary impact on deceased donation rates</b> VANMARCKE A., LORMANS P., FERDINANDE P., MONBALIU D. ....	189
